Your 50th Reunion Committee Needs You!

We have classmates who live far and wide, those who stayed close and those who have returned. At this time in our lives we have all experienced some of the best and the worst life has to offer. We are now standing on the even playing field of life where we cherish every person that shared the space and air at Corsicana High School in and around 1962-1965.

We want to create a booklet for everyone to share a little of their story. We hope you are planning to attend, especially those of you who haven't attended before or not for a long time, but **even if you can't make it, please return these THEN and NOW pages.**

Please tell us about your life and family since leaving high school...

Then ...
